Special Attacks

Force Missile (Sp) [Paizo Inc. - Core Rulebook, p.81]

As a standard action you can unleash a force missile that automatically strikes a foe, as Magic Missile. The force missile deals 1d4+3 points of damage. This is a force effect. You can use this ability 8 times per day.

Intense Spells (Su)

[Paizo Inc. - Core Rulebook, p.81]

Whenever you cast an evocation spell that deals hit point damage, add +3 to the damage. This bonus only applies once to a spell, not once per missile or ray, and cannot be split between multiple missiles or rays. This bonus damage is not increased by Empower Spell or similar effects. This damage is of the same type as the spell.

Special Qualities

Arcane Bond (Su)

[Paizo Inc. - Core Rulebook, p.78]

You have selected to establish a powerful arcane bond with an object.

Arcane School

[Paizo Inc. - Core Rulebook]

Bonded Object

[Paizo Inc. - Core Rulebook, p.78]

Objects that are the subject of an arcane bond must fall into one of the following categories: amulet, ring, staff, wand, or weapon. These objects are always masterwork quality. Weapons acquired at 1st level are not made of any special material. If the object is an amulet or ring, it must be worn to have effect, while staves, wands, and weapons must be held in one hand. When attempting to cast a spell without your bonded object worn or in hand, you must make a concentration check or lose the spell (DC 20 + the spell's level). A ring or amulet occupies the ring or neck slot accordingly. A bonded object can be used once per day to cast any one spell that the wizard has in his spellbook and is capable of casting, even if the spell is not prepared. This spell is treated like any other spell cast by the wizard, including casting time, duration, and other effects dependent on the wizard's level. This spell cannot be modified by metamagic feats or other abilities. The bonded object cannot be used to cast spells from the wizard's opposition schools (see arcane school). A wizard can add additional magic abilities to his bonded object as if he has the required item creation feats and if he meets the level prerequisites of the feat. For example, a wizard with a bonded dagger must be at least 5th level to add magic abilities to the dagger (see the Craft Magic Arms and Armor feat in Feats). If the bonded object is a wand, it loses its wand abilities when its last charge is consumed, but it is not destroyed and it retains all of its bonded object properties and can be used to craft a new wand. The magic properties of a bonded object, including any magic abilities added to the object, only function for the wizard who owns it. If a bonded object's owner dies, or the item is replaced, the object reverts to being an ordinary masterwork item of the appropriate type. If a bonded object is damaged, it is restored to full hit points the next time the wizard prepares his spells. If the object of an arcane bond is lost or destroyed, it can be replaced after 1 week in a special ritual that costs 200 gp per wizard level plus the cost of the masterwork item. This ritual takes 8 hours to complete. Items replaced in this way do not possess any of the additional enchantments of the previous bonded item. A wizard can designate an existing magic item as his bonded item. This functions in the same way as replacing a lost or destroyed item except that the new magic item retains its abilities while gaining the benefits and drawbacks of becoming a bonded item.

Bonus Arcane School Power Use

[Paizo Inc. - Advanced Race Guide]

Select one arcane school power at 1st level that is normally usable a number of times per day equal to 3 + the wizard's Intelligence modifier. The wizard adds +1/2 to the number of uses per day of that arcane school power.

Bonus Feats

[Paizo Inc. - Core Rulebook]

At 5th, 10th, 15th, and 20th level, a wizard gains a bonus feat. At each such opportunity, he can choose a metamagic feat, an item creation feat, or Spell Mastery. The wizard must still meet all prerequisites for a bonus feat, including caster level minimums. These bonus feats are in addition to the feats that a character of any class gets from advancing levels. The wizard is not limited to the categories of item creation feats, metamagic feats, or Spell Mastery when choosing those feats.

Bonus Wizard Arcane Power Times

[Paizo Inc. - Advanced Race Guide, p.104]

Wizard: Select one arcane school power at 1st level that is normally usable a number of times per day equal to 3 + the wizard's Intelligence modifier. The wizard adds +1/2 to the number of uses per day of that arcane school power.

[Paizo Inc. - Core Rulebook, p.79]

You can prepare a number of cantrips, or 0-level spells, each day. These spells are cast like any other spell, but they are not expended when cast and may be used again. You can prepare a cantrip from a prohibited school, but it uses up two of your available slots

Darkvision (Ex)

[Paizo Inc. - Bestiary]

Range 120 ft.; Darkvision is the extraordinary ability to see with no light source at all, out to a range specified for the creature. Darkvision is black and white only (colors cannot be discerned). It does not allow characters to see anything that they could not see otherwise-invisible objects are still invisible, and illusions are still visible as what they seem to be. Likewise, darkvision subjects a creature to gaze attacks normally. The presence of light does not spoil darkvision.

Drow Immunities (Ex)

[Paizo Inc. - Bestiary]

Drow are immune to magic sleep effects and get a +2 racial bonus to saves against enchantment spells.

Evocation School

[Paizo Inc. - Core Rulebook, p.81]

You have chosen to specialize in evocation spells.

Keen Senses (Ex)

[Paizo Inc. - Bestiary]

Drow receive a +2 racial bonus on Perception checks.

Metal Opposition School

[Paizo Inc. - Ultimate Magic, p.87]

You have chosen metal spells as an opposition school. Preparing a metal spell takes up two spell slots of the same level. You take a -4 penalty on any skill checks made when crafting a magic item that has a metal spell as a prerequisite

Poison Use (Ex)

[Paizo Inc. - Bestiary]

Drow are skilled in the use of poison and never risk accidentally poisoning themselves.

Spell-Like Abilities (Sp)

[Paizo Inc. - Bestiary, p.1031

Drow nobles can use dancing lights At Will, deeper darkness At Will, , detect magic At Will and faerie fire At Will . They also can use Dispel Magic 1/day , Divine Favor , Suggestion.

Weapon Familiarity (Ex)

[Paizo Inc. - Bestiary]

Drow are proficient with the hand crossbow, rapier, and short sword.

Wood Opposition School

[Paizo Inc. - Ultimate Magic, p.88]

You have chosen wood spells as an opposition school. Preparing a wood spell takes up two spell slots of the same level. You take a -4 penalty on any skill checks made when crafting a magic item that has a wood spell as a prerequisite.

Feats

Arcane Talent

[Paizo Inc. - Advanced Player's Guide, p.151]

Magic is in your blood, and at your fingertips.

Choose a 0-level spell from the sorcerer/wizard spell list. You can cast this spell three times per day as a spell-like ability. The caster level is equal to your character level. The save DC is 10

Combat Casting

[Paizo Inc. - Core Rulebook, p.119]

You are adept at spellcasting when threatened or distracted.

You get a +4 bonus on concentration checks made to cast a spell or use a spell-like ability when casting on the defensive or while grappled.

Experimental Spellcaster (Wizard)

[Paizo Inc. - Ultimate Magic, p.166]

Learn some words of power

Extend Spell

[Paizo Inc. - Core Rulebook, p.123]

You can make your spells last twice as long.

An extended spell lasts twice as long as normal. A spell with a duration of concentration, instantaneous, or permanent is not affected by this feat. An extended spell uses up a spell slot one level higher than the spell's actual level.

Experimental Spellcaster First

[Paizo Inc. - Ultimate Magic]

Scribe Scroll

[Paizo Inc. - Core Rulebook, p.132]

You can create magic scrolls.

You can create a scroll of any spell that you know. Scribing a scroll takes 2 hours if its base price is 250 gp or less, otherwise scribing a scroll takes 1 day for each 1,000 gp in its base price. To scribe a scroll, you must use up raw materials costing half of this base price. See the magic item creation rules in Chapter 15 for more information.

Proficiencies

Club, Crossbow (Hand), Crossbow (Heavy), Crossbow (Light), Dagger, Grapple, Quarterstaff, Rapier, Spells (Ray), Spells (Touch), Splash Weapon, Sword (Short), Unarmed Strike
